

# ALL ABOUT ME

## MRS. KIM POLLARD

### The Basics

Welcome to **Eagle's Nest MDO**.

I am so excited to be a part of this program with you and your family. This year, we will be taking your little angel on a Christian faith based adventure with our Abeka Curriculum. It contains lessons, crafts and experiences that will help lead them biblically through their future.

### My Experience

I graduated from Smithson Valley HS and attended SACC, studying child development. While in college, I started working at a small daycare and fell in love with teaching infants and toddlers. I was then given the opportunity to buy the business and become the owner and director for the facility for 12 years. I sold the business in 2004 to become a stay at home mom.

### My Favorites

Shows: Survivor, Friends, & true crime

Restaurants: Chick-fil-A, Olive Garden, & Chipotle

Snacks: Chocolate chip cookies, brownies, & pepitas

Hobbies: crafting, painting, & gardening

Shopping: Amazon, Walmart, & Hobby Lobby

### My Family

I was born and raised in Texas and I'm never leaving. I have been married to my husband, Glen, for almost 25 years and I am blessed to be the mama bear to Kayla, Jacob, and Joshua. We all proudly serve in different ministries at Compassion Church. I will also soon take on the role of Nonnie to my 1st grandson any day now. My fur babies include 4 dogs ( a chihuahua, dachshund, & 2 rescues), 2 cats (neighborhood strays that adopted us) and 7 chickens. I love them all!!!
